

EE214 Project #1 Grade Sheet

Revision: August 15, 2013

STUDENT

I am submitting my own work, and I understand penalties will be assessed if I submit work for credit that is not my own.

Print Name

Sign Name

Date

Circuit Demo Point Scale

4: Exemplary
3: Complete
2: Incomplete
1: Minor effort
0: Not submitted

Score =
 $\frac{\text{Points awarded}}{(\text{Pts}) \times \text{Weight (Wt)}}$

LAB ASSISTANT

Project 1.1 Introduction to Digital Engineering and FPGA boards

#	Deliverable	Wt	Pts	Score	Lab Asst Signature	Date
1	Circuit demonstration	2				
2	Verbal questions answered well	2				

Project 1.2 Switches to Control LEDs

#	Deliverable	Wt	Pts	Score	Lab Asst Signature	Date
1	Circuit demonstration (One switch to control One LED)	2				
2	Test Your Knowledge 1	2				
3	Test Your Knowledge 2 (<i>Extra</i>)	2				
4	Verbal questions answered well	4				

Design Challenge 1 Use Push Button to Control Seven Segment Display

#	Deliverable	Wt	Pts	Score	Lab Asst Signature	Date
1	Circuit demonstration	4				
2	Verbal questions answered well	4				

Score

Extra Credit

Student

How many hours did you spend on this project:

Project 1.1: _____; Project 1.2: _____; Design Challenge 1: _____;

What part of this project did you find the most difficult? How could we improve it?
